

Chanakya Technical Campus

Electrical Engineering Department

2014-15

- Department of Electrical Engineering IIIrd & Final Year students visited “Dainik Bhaskar printing press” at Shivdaspura Industrial Area on 03.Sept.2014.
- NITTTR Declared Chanakya Technical Campus as a Nodal Center for short term course on power electronics through ICT from 23-27 Feb 2015.
- Final year students submitted the project entitled “Hybrid System with solar and wind power”.
- Vth and VIIth sem students participated in Energy Technical fair conducted through MSME, Jaipur on 27.Sept.2014.
- Mr. Prashant Kumar attended workshop on “Teaching signal processing and control system using mat lab & simulink” conducted by MathsWork on 21.Nov.2014.
- Paper presented by Mr. Mukesh Baliwal on “Utilization of scraped led acid battery into solar cell” in KITE on 17-18 Jan 2015.
- Mr. Prashant kumar attended a one day workshop on “Energy efficient technology” on 27.Sept.15 organized by MSME, Agra.
- Paper presented by Mr. Mukesh Baliwal on “Automatic solar tracking system without using microcontroller” in KITE on 17-18 Jan 2015.
- Paper presented by Mr. Mukesh Baliwal on “Modeling & simulink of grid connected wind turbine based distribution system” in Arya college of engineering and technology organized by ICATET on 18-19 April 2015.
- Paper presented by Mr. Mukesh Baliwal on “Modeling and Simulink of photovoltaic system in MATLAB” in KITE on 07.April.2015.
- Paper presented by Mr. Mukesh Baliwal on “Renewable (wind, solar, biomass, hydro) energy scenario in India” in KITE on 07.April.2015.
- Paper published by Mr. Mukesh Baliwal on “Modeling and simulation of induction motor” in International journal conducted by IJERD in 14.April.2014.
- Mr. Mausam Sharma has given Internal Lecture on “DC THEORAM” on 27.Sept.2014.
- Mr. Mukesh Baliwal has given Internal Lecture on “GRAPH THEORY” on 17.Oct.2014.
- VIIth semester student Mitesh Bipin Mehta gave a presentation on “Transformer” on 10.Oct.2014.
- Presentation was given by Mr. Hemraj (VIIIth semester) on “Nuclear Power Plant” on 14.Oct.2014.
- Mr. Ramesh Khateek (VIIIth semester) gave a presentation on “132 KV G.S.S. Heerapura” on 17.Oct.2014

- Presentation was given by Chanchal Rajawat (VIth semester) on “Firing Circuit of SCR” on 30.Oct.2014.
- Excellent Performance was given by IIIrd and IVth year students in RTU main Exam.
- A paper was presented by Mr. Prashant Kumar on “Climate Change and Changing Dimensions of Renewable Energy Policy in India” in KITE on 07.Apr.2015.
- A paper was presented by Mr. Prashant Kumar on “An Integrated Renewable Energy System Field Testing and Process Simulation for Energy Flexibility and Sustainable Development in India” in KITE on 07.Apr.2015.

Head of Electrical
